Proceedings of the Madras Government, Public Works Department,
***3rd August* 1869.**

No. 38. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Pulney, 19th July 1869, No. 903 :—

WITH reference to G. O., No. 3,636, dated 20th November 1868, I have the honour to report that out of Rupees 10,000 placed at my disposal for the Perryaur Ghaut last year from the Income-tax grant, a sum of Rupees 6,129-6-0 was expended up to the 31st March 1869, and there is a balance of Rupees 3,871 available for expenditure at present.

2. Lieutenant Pennycuick having found that rain had fallen in abundance above the ghaut during last month, went up to camp with Lieutenant Coaker early in the present month ; it is difficult to estimate the requirements of funds ; but I would request that a sum of Rupees 20,000 may be granted for the present season, and I will report in due time what further demands there will be, according to the progressive outlay on the ghaut.

No. 39. ORDER THEREON, 3rd August 1869, No. 2,539.

ACCOUNT, No. 3.

As the Government are not in a position at present to provide any funds from the Imperial assignment for the Perryaur Ghaut, this letter will be communicated to the Revenue Department with a view to the sum of Rupees 10,000 being allotted from Local Funds as ordered in Proceedings in this department, No. 3,636, of the 20th November 1868. As the year advances His Excellency the Governor in Council will endeavour to appropriate any further amount that may be required from such savings in the Public Works Budget allotments as may be found to be available.
